

§ 31.3302(a)-2

26 CFR Ch. I (4-1-03 Edition)

State X contributions in the amount of \$2,700 based upon such remuneration. Since the contributions were paid to State Y on January 31, 1962, the contributions to State X are, for purposes of the credit, deemed to have been paid on such date. N is entitled to a credit of \$2,700 against the Federal tax of \$3,100, the net liability for Federal tax being \$400 (\$3,100 minus \$2,700).

[T.D. 6516, 25 FR 13032, Dec. 20, 1960, as amended by T.D. 6658, 28 FR 6632, June 27, 1963]

§ 31.3302(a)-2 Refund of State contributions.

If, subsequent to the filing of the return, a refund is made by a State to the taxpayer of any part of his contribution credited against the tax, the taxpayer is required to advise the district director of the date and amount of such refund and the reason therefor, and to pay the tax, if any, due as a result of such refund, together with interest from the date when the tax was due.

§ 31.3302(a)-3 Proof of credit under section 3302(a).

Credit against the tax for any calendar year for contributions paid into State unemployment funds shall not be allowed unless there is submitted to the district director:

(a) A certificate of the proper officer of each State (the laws of which required the contributions to be paid) showing, for the taxpayer:

(1) The total amount of contributions required to be paid under the State law with respect to such calendar year (exclusive of penalties and interest) which was actually paid on or before the date the Federal return is required to be filed; and

(2) The amounts and dates of such required payments (exclusive of penalties and interest) actually paid after the date the Federal return is required to be filed.

(b) A statement by the taxpayer that no part of any payment made by him into a State unemployment fund for such calendar year, which is claimed as a credit against the tax, was deducted or is to be deducted from the remuneration of individuals in his employ. Such statement shall contain or be verified by a written declaration that it is made under the penalties of perjury.

(c) Such other or additional proof as the Commissioner or the district director may deem necessary to establish the right to the credit provided for under section 3302(a).

§ 31.3302(b)-1 Additional credit against tax.

(a) *In general.* In addition to the credit against the tax allowable for contributions actually paid to State unemployment funds (see § 31.3302(a)-1), the taxpayer may be entitled to a credit under section 3302(b). This additional credit is allowable to the taxpayer with respect to the amount of contributions which he is relieved from paying to an unemployment fund under the provisions of a State law which have been certified for the taxable year as provided in section 3303. Generally, an additional credit is available to an employer, if under the provisions of a State law which have been so certified he is permitted to pay contributions to such State for the taxable year, or portion thereof, at a rate which is both lower than the highest rate applied under such law in such year and lower than 2.7 percent. No additional credit is allowable except with respect to a State law certified by the Secretary of Labor for the taxable year as provided in section 3303 (or with respect to any provisions thereof so certified).

(b) *Method of computing amount of additional credit allowable with respect to a State law—(1) Certification of a State law as a whole.* In ascertaining the additional credit for any taxable year with respect to a particular State law which the Secretary of Labor certifies as a whole to the Secretary of the Treasury in accordance with the provisions of section 3303, the taxpayer must first compute the following amounts:

(i) The amount of contributions (whether or not with respect to employment as defined in section 3306(c)) which the taxpayer would have been required to pay under the State law for such year if throughout the year he had been subject to the highest rate applied under such law in such year, or to a rate of 2.7 percent, whichever rate is lower.

(ii) The amount of contributions (whether or not with respect to employment as defined in section 3306 (c))
